Asked by Pavan on 24th July 2020 10:04

**A. The Common Law Admission Test mode is way back to an online pattern after being administered online for the last four years. CLAT 2020 will be a paper-pen based test administered by CLAT Consortium.**

Hotel Management

### Q. How is the typical day of a Hotel Manager?

Asked by Pavan on 24th July 2020 11:18

A. The daily meeting happens where the daily staff report is presented about what has happened over last night, those details are provided by the staff. They are always roaming around the hotel making sure that each and everything is in place. They meet their clients and take their feedbacks. They provide instructions to the hotel staff multiple times a day about how to do things. There are several operational meetings in a day and also with the senior management in some cases.
